

TO WHOM IT MAY CONCERN

IN ORDER FOR YOUR M11 UPGRADE KIT TO FIT PROPERLY YOU MUST FIRST MAKE THE HANDLE END FLAT FOR THE POMMEL CAP TO FIT, WE INSTRUCT ANYONE IN PURCHASING THIS KIT TO CUT THE TWO RAISED EDGES OFF AFTER REMOVING THE LATCH PLATE ATTACHMENT, IN DOING THIS THE HANDLE END IS THEN FLAT FOR THE POMMEL CAP TO BE ATTACHED PROPERLY, ALSO IT WON'T BE AS SECURE, MEANING THE LATCH PLATE COULD SPIN AROUND ON YOU IF YOU USE IT REPEATEDLY AS A M9.

TAKE CARE IN ALL YOU DO!!

THANKS FOR YOUR INTEREST IN OUR PRODUCTS AND WE APPRECIATE YOUR BUSINESS.
